Hitachi

Hitachi Famly of Interactive Whiteboards, Panels, Tablets & Plasmas

The Starboard family includes a range of hardware configurations to fit all presentation, education and communication budgets and room environments. Our selection of interactive whiteboards, LCD panels, & wireless tablets make StarBoard the high-performance interactive presentation solution for education and business

All Starboard presentation products include Hitachi Software's Starboard Software, an easy-to-master suite of powerful presentation and conferencing tools tightly integrated with applications like Microsoft PowerPoint. Starboard software includes interactive annotation tools, handwriting and geometric object recognition capability and full conferencing features between LAN or WAN networked systems.
